

# Chester Heritage Festival: Hunt for animals in the City

How many of these can you spot in Chester? Fill in with a smiley when you do!

This hunt celebrates Chester Zoo's 90th birthday on 10th June 2021.

To add smileys, start at Town Hall Square, heading south. As you approach Bridgegate, turn left to go up the ramp leading to the City Walls. Go along the Walls, up the Wishing Steps, until the Roman Gardens are on your right. Use the steep ramp to return to street level. Continue, find the gate to the Gardens, and once inside turn left, thus heading towards the main gate to exit. Turn right, continue, crossing the walkway\* above the amphitheatre to Grosvenor Park. In making your way to the playground in the Park, more smileys should be added.

\*At the end of the walkway, turn around and look up. In the distance one of the animals looks down. There will be a better view when returning to the city centre, particularly via the Walls.
